25X1 7. [] Met with Mr. William Cook, Counsel, House Armed Services Committee, who told me that H. R. 6483, the bill for promotion of members of the Marine Corps to full general was reported out by the full Committee but that one member has insisted during discussion that the number of generals authorized by the bill be reduced from four to three. From present indications, a member may well propose a similar amendment on the floor of the House when the bill comes up for consideration. Mr. Cook told me that the leadership has recommended that the Committee procure a rule on the bill and not attempt passage on either the Consent Calendar or by suspension of the rules. Although a letter requesting hearing by the Rules Committee on the bill is in the mill, the hearing cannot take place earlier than the week of 7 June. Consideration on the floor of the House will be scheduled after the hearing by the Rules Committee. Mr. Cook apologized that the report on the bill has not yet been received from the printers but may be available tomorrow. []
25X1A has been advised. 25X1

25X1 9. [] Met with Mr. Arthur Kuhl, Chief Clerk, Senate Foreign Relations Committee, who returned to me for retention by the Agency the blind memo of 6 May concerning the Pakistan situation which had been given to Chairman Fulbright. Mr. Kuhl noted, in passing, that the Radios bill may well continue to get a bad time in the Committee due to Chairman Fulbright's opposition to the formation of a committee or organization to take Federal funds and dispense them to the Radios as is presently provided in the proposed legislation under consideration before the Committee.

25X1 10. [] Mrs. Peckham, in the office of Representative Charles Thone (R., Neb.), called and asked for assistance in replying to a constituent who had raised the question of CIA complicity in the drug problem and I told her I would drop by.

4. [] Met with Mr. Richard Barton and Mrs. Lois G. Myers, Employee Benefits Subcommittee staff, and returned the transcript of Committee hearings on Wednesday, 19 May, concerning legislation dealing with invasion of privacy of Federal employees. I gave Mr. Barton a copy of the Director's letter of 21 May to Senator Ervin requesting full exemption for the Agency from S. 1438, the Senator's bill relating to invasion of privacy of Federal employees.

All seven members of the Subcommittee and Mr. Barton have indicated that they will be present at the Agency breakfast on Wednesday, 9 June. Representative Dulski (D., N. Y.), of the full Committee, and Representative H. R. Gross (R., Iowa), senior minority member of the full Committee, have conflicting engagements and will not be able to attend. Arrangements will be made to pick up three of the members at New Jersey and "C" Street at 7:30 that morning and bring them to the Headquarters building.

5. [] Received a call from [] 25X1A
[] who told me that [] will be finishing up his Agency contract in August and is very unhappy that he has been unable to locate Federal employment. It is not a matter of financial pressures, he has no apparent problems in this area; but rather his desire to be of continuing service. At dinner last evening, [] indicated that 25X1A
he may seek assistance from Senator Jackson (D., Wash.). I thanked [] for the advice.

6. [] Met with Miss Justine Snipes, Manpower and Civil Service Subcommittee staff, House Post Office and Civil Service Committee, and received from her the classified attachment to the Director's letter of 2 July 1970 to Chairman Henderson which was a section-by-section analysis of S. 782, Senator Ervin's bill relating to invasion of privacy of Federal employees. Miss Snipes has reviewed Committee files at my request and found that only this one classified document had been retained by the Subcommittee. I told her that we would maintain custody of the document and return it should Chairman Henderson have further need for it. No other Agency classified material is held by the Manpower and Civil Service Subcommittee. I thanked Miss Snipes for her efforts in this matter.
